A message regarding feedback…

Our NPC District Chairman notified us last year that the judges would no longer be providing competitor feedback starting with the 2018 season. The NPC is our sanctioning body who provides the judges and they operate separately from us (promoters). It is our understanding that this is a district-wide policy affecting all NPC shows in Ohio, West Virginia and Kentucky.

For many years the judges would provide feedback immediately after the show at the venue, but most competitors did not stay until the end. The judges then transitioned to post-show feedback via email, but this method became unmanageable due to the high number of competitors. Plus, they felt their feedback had become too generalized and did not truly benefit the competitor. With the rise in 'competition' trainers and coaches, they decided it would be best for the competitors to rely on the people closest to them for feedback.

If you ever have any questions regarding the NPC's policies or wish to contact them, you can visit their website at www.npcnewsonline.com. You can always contact us as well and we will do our absolute best to obtain an answer for you.

Thank you again for choosing to compete in our event and we hope to see you next year! Please don't hesitate to contact us with any questions.
